Unmatched Ty-Track(TM) Services

Ty-Track(TM) Accountability Partner Matching & Pairing-Up (TTAPMU) Service

Ty Howard is well aware of the current state of the economy and knows that there are good people, like you, who truly want to become successful professional motivational speakers. This is why Ty has decided to create his Unmatched Ty-Track(TM) Accountability Partner Matching & Pairing-Up Service.

With TH Seminars™ TTAPMPU Service, if you have half (\$948.50) of the required registration investment, you may contact TH Seminars™ to request for you to be added onto the Ty-Track(TM) Accountability Partner Matching & Paring-Up Wait List. We will add your name and information to the list, and await another person to contact us who is in the same financial position as you.

Email us: info@tyhowardseminars.com

Once we have you and another potential Accountability Partner (AP) to match and pair-up for the same virtual seminar, we will contact and connect the two of you to make sure the two of you are a good match. If the two of you say, "I think and feel this will work out great," then we will move the two of you forward with the signing of the TTAPMU Service Agreement and the paying of your virtual seminar investment.

If we try to match and pair you up, and the two of you say, "I do not think we're a good match," we will put the two of you back on the TTAPMU Wait List, and await another person. When another person contacts us, we will repeat this process again until we're successful in matching and pairing you up with the right AP.

Once you're matched and paired-up through the TTAPMU Service Agreement with another registering person for the same virtual seminar, you and the other person are one another's Accountability Partner, from the beginning to the end of the seminar. You may not bring or attempt to bring in another AP to the virtual seminar.

If we are not successful in matching and pairing you with an AP before the start of your desired virtual seminar, you may then request to stay on the TTAPMU Wait List for that seminar, and we will try the process again before the start of the next virtual seminar.

The authorizing person of this virtual seminar registration is to sign and date below, to acknowledge that you have read, understand and agree to the terms and conditions on page 4 of this 6 page seminar registration brochure.
